

TRUSTEE INFORMATION FORM

This form should be completed only if title will be taken in a Trust

In the State of Florida a Trust cannot hold title to real estate, however a Trustee(s) of a Trust can. For example, the name of the Trust could be:
ABC Revocable Trust, dated _ / _ / _
But the actual Trustees are William R. Smith and Jane A. Smith.

The deed would then be prepared to read:

William R. Smith and Jane A. Smith,
Trustees of the ABC Revocable Trust dated _ / _ / _

With this in mind and you wish to take title in a Trust, please provide the following information:

Complete name of your Trust (including "revocable" or "irrevocable" if applicable):

Date of Trust (if this is not on page one, use the date it was signed): _____

Current Trustee(s): _____

By signing below you certify the information provided is true and correct and understand that the deed will be prepared accordingly:

Signature: _____

Date: _____
